

# Deerfield Park Foundation

introduces a great new giving opportunity...

## *Bark For The Park!*

Jaycee Park has a great amenity that is bringing smiles to the faces of Deerfield dog owners and wagging tails to their dogs. Demonstrate your affection for your favorite canine by making a donation to the Bark For The Park giving program, and see your custom-engraved dog bone mounted on the Bark For The Park donation display at the entrance to Jaycee Park's dog exercise area.

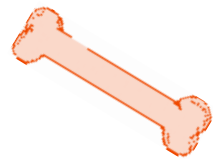

Dog bones are available for a donation in the amount of \$30. The brass-finish bones have an engraveable area consisting of 3 lines (15 characters each), and will be mounted in groups of 10. Corporate dog houses are also available at \$500 each.

I would like to purchase \_\_\_\_\_ dog bone(s) or \_\_\_\_\_ for corporate dog houses for Jaycee Park's dog exercise area. (Each bone may contain a maximum of three lines with 15 characters/spaces per line.) The inscription(s) should read as follows:

<input type="checkbox"/> Mastercard	<input type="checkbox"/> Visa	<input type="checkbox"/> Discover
_____	_____	_____
Expiration Date	_____	
Total Payment	_____	
Signature	_____	

Name \_\_\_\_\_  
Address \_\_\_\_\_  
Daytime Telephone \_\_\_\_\_  
I am enclosing \_\_\_\_\_ (\$30 per dog bone).

Please send this form with your check made out to the Deerfield Park Foundation to:
