

Help our community **GO GREEN...**  
 by your organization donating a recycling container  
 –includes name of your organization

Deerfield Park Foundation invites your organization to help the Deerfield Park District with their environmental efforts. The Park District has a goal of placing recycling containers at area parks and park/school locations. A total of more than 40 containers is required. Nine were donated in 2009 by Astellas Pharma, U.S., Inc. (6); and through the combined efforts of the Deerfield Park Foundation and Deerfield District 109 Education Foundation (3).

We appreciate your support!

**Deerfield Park Foundation • 836 Jewett Park Drive, Deerfield, IL 60015**
